

10 IEP QUESTIONS TO ASK

DRAFT copies-Request Draft copies (*in writing*) of proposed IEP, testing and all reports at least one week ahead of the meeting.

DATA-Your new IEP should have updated PRESENT LEVELS of data. IF you don't see data, request it.

BEHAVIOR-If the team has any concerns about non-compliance, on/off task behavior, get data before decisions.

ACCOMMODATIONS & MODIFICATIONS-Read this section carefully and make sure there is a plan for implementation in all classes.

PLACEMENT-Be sure you fully understand your student's placement and the daily schedule to accompany it.

CLASSROOM MANAGEMENT-Ask for classroom management plan. Are incentives used? If so, which ones? Is it individualized? Is there a separate class vs. school management program?

MINUTES-How will minutes be used? Pull out? Push in? Consult? Know how/when/where minutes will be used.

DATA COLLECTION-How will the team collect data for the IEP and how will it be shared with you?

COMMUNICATION-What is the preferred method (email, phone, etc..) of communication for each team member?

DAILY COMMUNICATION-How will daily activity be reported to you at home? Communication log? Email? Chart? Graph?
