## **Community Curriculum Closet**

The ACES Education Family Foundation Community Curriculum Closet exists to support homeschooling families by providing free access to curriculum, manipulatives, literature, and educational resources for PreK–12 learners.

With locations on each ACES Academy campus in DuPage and Kendall counties, the Curriculum Closet is a shared community resource where families are invited to come and *shop* for what they need—at no cost and with no appointment required.

 Open the first Thursday of each month

 2:00–4:00 PM

 DuPage & Kendall ACES Academy campuses

All families in need of educational materials are welcome to visit and take what supports their learners.

### Now Accepting Donations!

Have gently used homeschool curriculum, teaching materials, books, or manipulatives you're no longer using? Your resources can make a meaningful difference for another family.

We are currently accepting donations for all grade levels, PreK–12. To donate, please email the campus closest to you to schedule a drop-off time. A donation receipt will be provided.
